

## Switch Form

Please use **BLOCK** capital letters and tick (✓) boxes where applicable.

### Step 1. Switch details

In this Switch Form (Form), each of the funds in the table below are referred to as a 'Fund' and two or more of them may be referred to collectively as 'Funds'.

This Form is used to switch an amount currently invested in a Fund ('Current Fund') to another Fund ('New Fund') as nominated below. Switching is available when the investor name/s is exactly the same for both the Current Fund and the New Fund, providing that you satisfy the minimum withdrawal switch amount from the Current Fund and the required minimum investment balance (listed in the table below) for each Fund. If a switch causes your investment in a Current Fund to fall below the minimum investment balance, we reserve the right to treat your instruction as an instruction to switch your full investment in that Fund.

When you request a switch using this Form, we will redeem your existing units from the Current Fund at the next available redemption price and we will use the proceeds to purchase units in the New Fund at the relevant application price. There is currently no charge for switching between Funds, however, buy/sell spreads do apply.
